

# WATER WITHOUT THE WORRY

We all need a bit of extra support at some point in our lives.

We can provide a wide range of free services to suit your personal situation such as...

- Bills and literature in Braille, large print, audio and Easyread.
- An alternative supply of water if you have a certain medical condition.
- A password scheme to protect against anyone trying to get into your house pretending to be from the 'water board'.
- A limit to how much water you will be billed for if you have a large family and are on certain benefits.

Plus lots more...
