Developer name:	
Site contact name:	
Contact telephone number:	

Main between plot numbers:	
Site address:	

Main size:		Length of main:	
Main size:		Length of main:	
Main size:		Length of main:	
Main size:		Length of main:	

I confirm that trenches will be excavated as shown on the plan number above and that we require the above sections of main to be laid. I understand that I will be contacted within four to six weeks by the mains construction team to organise a date for works to commence. I accept that Northumbrian Water may recover its additional costs from my organisation if the work cannot be carried out as a result of my organisation's actions/inactions affecting the planned works.

<b>Print name:</b>	<b>Signature:</b>
<b>Date:</b>	

Once the main has been laid, Northumbrian Water will take samples to ensure the water within the main is of a satisfactory quality. Service connections from these mains can only be requested once the required water quality standards have been achieved.
