Please demonstrate compliance with the Water Supply (Water Fittings) Regulations for the supply pipe(s) with this submission either by providing the relevant Water Industry Approved Plumbers' Scheme (WIAPS) and EUSR water hygiene certificate(s) for each supply or by requesting an inspection by NWL. Failure to do so may delay approval of your service connection.

*If the connection is to an existing NWL main, please provide RAMS, including confirmation of crew competence to undertake the connection works. Please also submit valid Water Industry Approved Plumbers' Scheme (WIAPS) and EUSR Water Hygiene certifications. If the connection to the existing NWL main does not take place on the planned date stated above, this form must be resubmitted with the revised date.
