	2045 84 Post Investment 0	 Site of Special Scientific Interest No	 Strategic Area of Conservation No	 Strategic Area for Ecology No		2045 66 Post Investment 10

Opportunities

-  3rd Party Stakeholder
-  WINEP Programme
-  Storm Overflow Programme
-  Blue Green Corridor
-  Storm Overflow Removal
-  Drainage Communities

This is drainage community reference DC_01 which is within the Cambois area. The drainage community is classified as low priority based upon it containing a river water asset discharging to an area without environmental concerns. The DWMP recommends that storage at the storm overflow(s) and storage in the catchment is created to manage and improve spill and flooding performance. The application of growth in the catchment has shown that no investment is required at the sewage treatment works.
