Opportunities

- 3rd Party Stakeholder
- WINEP Programme
- Storm Overflow Programme
- Blue Green Corridor
- Storm Overflow Removal
- Drainage Communities

This is drainage community reference DC_01 which is within the Lockhaugh area. The drainage community is classified as low priority based upon it containing a river water asset discharging to an area without environmental concerns. The DWMP recommends that storage at the storm overflow(s) and storage in the catchment is created to manage and improve spill and flooding performance. The application of growth in the catchment has shown that no investment is required at the sewage treatment works.
