| 3rd Party Stakeholder | | | | |
| 🕂 WINEP Programme | This is drainage community reference DC_02 which is within the Moorsholme area. The drainage community is classified as low priority based upon it containing a river water asset discharging to an area without environmental concerns. The DWMP recommends that no investment is required due to the performance of the storm overflow and level of internal property flood risk in the catchment. The catchment will be monitored for future change. The application of growth in the catchment has shown that no investment is required at the sewage treatment works. | | | |
