- Blue Green Corridor
- Storm Overflow Removal
- Drainage Communities

This is drainage community reference DC_01 which is within the Hawthorn area.
 The drainage community is classified as high priority based upon it containing a RNAG asset discharging to an environmentally sensitive area.
 The DWMP recommends that no investment is required due to the performance of the storm overflow and level of internal property flood risk in the catchment. The catchment will be monitored for future change.
 The application of growth has shown that investment is required at the sewage treatment work before 2045.
